

BRIDLEWOOD BRANCH RELOCATION

Bridlewood Branch is relocating to a larger space in the Mall!

Toronto Public Library has the opportunity to relocate the Bridlewood Branch to a new, larger location in Bridlewood Mall.

Moving this branch allows Toronto Public Library to take advantage of the availability of a preferred location and larger space, almost 50% bigger.

Toronto Public Library will host an open house about the Bridlewood Branch relocation.

Come and view the floor plans for the relocated and expanded branch. Learn more about the move and the brief closure while the library moves.
